

College Admission Examinations

Dear Parents or Guardians of College Bound Students:

Currently, most colleges use the ACT and SAT as pre-requisites for college admissions. Therefore, student achievement on either of the exams is crucial to our students and their ability to gain admission into their school of choice.

To that end, the Wilde Lake High School administration, teachers, and other staff members are dedicated to our students' successes on these examinations. This year in an attempt to give our students exposure to both national college admissions examinations Wilde Lake High School will be offering the following: College Night, ACT and SAT mock test, an ACT information night, and a cram session for each administration of the SAT.

College Night

Second Wednesday of each month 6:30 – 7:30pm in Room 222

Students of all grade levels are encouraged to attend. We will discuss the college search process financial aid and scholarships, complete applications, and identify the appropriate teachers to write letters of recommendations.

For more information regarding college night , contact Mr. Penn at kareem_penn@hcpss.org
