All sessions are held at WLHS and facilitated by Rebecca Morrow, Admissions and Academic Advisor at HCC

***Sign up with Mrs. Wentland in Student Services**

What is Jumpstart Dual Enrollment?

A partnership between HCPSS and Howard Community College to expand options for high school students to gain college credits, explore possible careers, or earn an associate degree.

What is the requirement for JumpStart students to earn college credit?

In order to register for dual credit with HCC, students must have at least a 2.0 unweighted GPA; some courses have additional prerequisites. College (dual) credit is awarded upon successful completion of the course.

Am I required to attend HCC after graduation?

While these programs provide a clear path for graduating high school students to complete their associate degree at HCC, the earned college credits can be transferred elsewhere.

Will college credits earned at HCC transfer to a four-year college or university?

HCC credits will transfer to Maryland public four-year colleges and universities and most private and out-of-state colleges and universities. See an HCC advisor to plan which courses will be right for you.
