## DUAL ENROLLMENT

---

*Wilde Lake High School is excited to announce the addition of Precalculus CC to our course offerings for the 2021-22 school year. Students enrolled in this class will have an opportunity to register for college credits at Howard Community College through the JumpStart Dual Enrollment program.*

### What is Precalculus CC?

- ★ Precalculus CC covers the **same content** as Precalculus GT.
- ★ The course carries the **same GPA weight** as Precalculus GT.
- ★ Students are given an opportunity to earn **credit at HCC in two college math courses**.
- ★ The course is offered entirely **at Wilde Lake**, takes place during the normal school day, and will be taught by a Wilde Lake math teacher

### How is Precalculus CC different from GT?

- The content is taught in a **different order**.
- The course requires a mixture of **online and paper assignments** to align with the course requirements at HCC.
- Students will take **college-level exams**, including a midterm and final.
- Students must score a 46 or higher on the ALEKS online **placement test** before registering to earn college credit.

### Who should consider taking Precalculus CC?

Precalculus CC is the equivalent of taking both Precalculus I (MATH-143) and Precalculus II (MATH-153) at Howard Community College during one school year. These two courses are transferable to all University System of Maryland schools, as well as to many other colleges and universities. As a result, the pace of the course and the administration of both college assignments and exams require dedication and a strong background in both Algebra 1 and 2 content.

### How can I get more information?

Wilde Lake High School and the Office of Dual Enrollment will be offering two information sessions to learn about this opportunity. Please attend one of the sessions below if you would like to hear more or ask questions.

**When:** Thursday, June 10 at 6:30pm  
or

Monday, June 14 at 10:00am

**Google Meet Code:** WLHSJumpstartMath

### How can I sign up?

If you know that you would like to participate, please fill out [this Google Form](#) to indicate that you would like to be placed into Precalculus CC for Fall 2021, if it is possible. Due to scheduling constraints, there will be limited availability for the 2021-22 school year. Interested students will be contacted with information about the registration and placement testing process.
